

## Year 2 'Task a Day'

Day	Task
1	Read a book of your choice and write a book review explaining which characters you liked, what was the favourite part of your story and would you recommend this book to anyone else?
2	Find doubles and halves of any number using a ladybird for support. 
3	Create a collage of a garden scene using empty cardboard boxes, empty toilet roll tubes, yoghurt pots, leaves, grass twigs etc.
4	Find 5 items around the house that you can twist, bend, stretch, and squash
5	<p><b>How to Grow a Rainbow Science Experiment</b></p> <p>Cut the kitchen roll into the shape of a rainbow. At each end, use the felt-tip pens to colour a rainbow about 2cm up from the bottom. Remember the order of the colours: red, orange, yellow, green, blue, indigo, violet. Attach the paperclip to the top of the rainbow and tie a piece of thread to it. This will allow you to hold your rainbow. Add water to the two bowls. Hold the rainbow with both ends slightly submerged into each bowl of water and watch your rainbow grow.</p> 
6	Teach your family how to play the key game.
7	Research and make a fact file on the Great Fire of London.
8	Draw picture of yourself and write what you would like to be when you grow up.
9	Create a persuasive leaflet convincing others why it is important to brush your teeth.
10	Use a variety of 2D shapes to create a picture.
